Your plan agreement

This **agreement**, together with **your application form** and **your certificate of insurance**, make up the contract between **you** and **us**. The terms of this **agreement** apply to **you** and to all of **your eligible dependants** as stated in the schedule of **insured persons** on **your certificate of insurance**.

The purpose of this **insurance** is to cover **you** for **bodily injury** or death caused as the result of an **accident** happening during **your period of cover**, which results in any of the losses described in the **plan** benefits schedule, for the amount stated on **your certificate of insurance**.

You should bear in mind that **good faith** is a very important principle in **insurance**. **We** will rely on the **application form** signed and dated by **you** in deciding whether to provide **you** with the benefits of the **plan**. The signed and dated **application form** is an integral and crucial part of **your plan** contract and the cover **we** provide. If it contains materially incorrect or incomplete facts **we** have the right to declare **your plan** void. **You** should therefore take the greatest care to ensure that not only is **your application form** complete and accurate, but also that **you** have not withheld any fact which may have some effect on the terms upon which **we** accept **your** application for cover. Changes can occur in the facts given, and, if they do, **you** must tell **us** of the change.

You must inform **us** if **your** occupation exposes **you** to any greater risk than a purely office-based occupation, or if **you** intend visiting countries which pose a greater risk of **accident** or if **you** intend to engage in any sporting activities.

Age limits

You must be aged 18 or over to be eligible for the **plan**. The maximum age limit is 70 years. **Your** cover will automatically terminate at the end of the **period of cover** during which **you** attain the age of 70 years.

Disclosure of hazardous occupations

Your plan does not cover any occupation which poses a greater risk of **accident** than a purely office based occupation. If **your** occupation does expose **you** to any greater risk than an office based occupation and **you** require cover whilst **you** are working **you** must declare full details about **your** occupation on **your application form**. **We** can then advise **you** of the additional **premium** necessary to provide **you** with full cover whilst **you** are working. Cover will be subject to payment of the additional **premium** to William Russell Ltd.

Disclosure of hazardous sporting activities

Your plan does not cover hazardous sports or pastimes. If **you** engage in any sporting activities which pose an increased risk of **accident**, and **you** require cover for these sporting activities **you** must declare full details about **your** activities on **your application form**. **We** can then advise **you** of the additional **premium** necessary to provide **you** with full cover for **your** activities. Cover for these activities will be subject to payment of the additional **premium** to William Russell Ltd.

Disclosing your country of residence

You must declare the **country of residence** of each **insured person** on **your application form**, and at the time of each renewal. Cover in certain countries may be subject to the payment of an additional **premium**.

Claims arising from or aggravated by a pre-existing medical condition

If the consequences of an **accident** shall be aggravated by any condition or physical disability which existed before the **accident** occurred, the amount of compensation payable under this **insurance** in respect of the consequences of the **accident** shall be the amount which it is reasonably considered would have been payable if such consequences had not been so aggravated.

Notification of a claim

Notice must be given to **us** as soon as reasonably possible of any **accident** which causes or may cause disablement within the meaning of this **insurance** and **you** must as early as possible place **yourself** under the care of a duly qualified medical practitioner. Notice must be given to **us** as soon as reasonably possible in the event of the death of an **insured person** resulting or alleged to have resulted from an **accident**.

It is a condition precedent to **our** liability to pay compensation to **you** or **your** representative, that all medical records, notes, and correspondence referring to the subject of a claim or a related pre-existing condition shall be made available on request to any medical adviser or advisers appointed by **us** and that such medical advisers shall, for the purpose of reviewing the claim, be allowed so often as may be deemed necessary to examine **you**.

In the event of a claim **we** must receive all relevant documentation including a police report, ambulance report, hospital admission notes and any other report or documentation that would have been completed at the time.

Fraud, non-disclosure or an incorrect declaration

Any fraud, concealment or deliberate misstatement either in the **application form** or in connection with the making of any claim under this **insurance** shall render this **insurance** null and void and all claims shall be forfeited.

What you are covered for

Your personal accident benefit shall become payable when an **accident** occurring during **your period of cover** results in one or more of the following occurrences:
