Vitamins, dietary supplements, natural substances, and creams

War and terrorism

You are not covered for **treatment** arising directly or indirectly from war, foreign enemy hostility, terrorism, rebellion, civil war, revolution, military coup, riot, strike, martial law, state of seige or attempted overthrow of a government, unless **you** are an **innocent bystander** in a country or region that the British Foreign & Commonwealth Office has not advised its citizens to leave.

If you need to make a claim

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorisation.

If **you** need to **claim** for a benefit or **treatment** for which **you** must obtain pre-authorisation, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorised by **us** in advance.

Eligible medical services providers

You have the freedom to choose when and where **you** receive **your** medical **treatment** within **your area of cover**. Please note that **we** will only pay up to the **reasonable and customary** monetary amount which is typically charged in the country where **treatment** is being received.

If you have cover for temporary trips to the USA and you seek treatment there

All **treatment** **you** receive in the USA must be pre-authorised in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the USA that has not been pre-authorised.

If **we** instruct a local agent to arrange the billing and/or cost adjustment of **your** medical **treatment** expenses in the USA, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the 'Your area of cover' section of this **agreement**.

If you are admitted to hospital

All **in-patient** and **day-patient hospital treatment** must be pre-authorised by **us** or by the **Assistance Service** more than 48 hours in advance.

Please contact **us** as soon as **you** know **you** need to have **in-patient** or **day-patient treatment** so **we** can contact the **hospital** to obtain the necessary medical information.

We will ask **you** to complete a pre-authorisation form and a consent form for the **hospital** to release details to **us**. Once **we** have received all information required from the **hospital** and **yourself** (to include any additional information **we** may request) **we** will advise **you** if the proposed **treatment** will be covered by **your plan**.

If **you** are admitted to **hospital** in an emergency and it is not reasonably possible for **you** to contact **us** in advance of **your** admission, **we** will consider **your claim**, provided **you** contact **us** within 24 hours of **your** admission. If **you** do not contact **us** within 24 hours, **we** may decline **your claim**, or subject **your claim** to 20% **co-insurance**.

If you have out-patient treatment and the cost of the treatment exceeds US\$500

If **your out-patient treatment** claim exceeds US\$500 or more, **you** must obtain pre-authorisation from **us**. **We** will only reimburse 80% of any eligible **treatment** costs that have not been pre-authorised in advance by **us**. Please note that all **advanced imaging** must be pre-authorised in advance.

If you have out-patient treatment and the cost of the treatment is less than US\$500

Out-patient treatment claims with a value of less than US\$500 do not need to be pre-authorised in advance by **us**. However, **we** do always recommend that **you** contact **us** or the **assistance Service**, even in the event of an **emergency**, before undergoing any **treatment** to ensure that the **treatment** is covered by **your plan**. Please note that all **advanced imaging** must be pre-authorised in advance.

If you do not obtain pre-authorisation for treatment that we have specified must be pre-authorised

For eligible **treatment**, which has not been pre-authorised, **we** will only reimburse 80% of the eligible costs.

How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a claim form from **our** website.

Please complete section A of the claim form. If the total amount of **your claim** is likely to exceed US\$500 (or the foreign currency equivalent), please take the claim form with **you** when **you** visit **your doctor** and ask him or her to complete and sign section B of the claim form.

Scan the completed claim form and the fully itemised invoices and receipts for the **treatment** **you** have received, and send to claims@william-russell.com.

Even if **your claim** is less than US\$500 **we** may in some cases require **your doctor** to complete and sign section B of **your** claim form before **we** can settle **your claim**.

We can only reimburse **your claim** when **we** have fully itemised invoices and receipts which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices, receipts and claim forms for 12 months. **We** may require these for auditing purposes.

Claim forms are not required however when **you** are claiming for the following benefits:

Well-being and dental claims: If **you** are claiming for the well-being benefit, or dental benefit please send **us** the fully itemised invoices and receipts for which **you** are claiming reimbursement, together with **your** bank account details.

Compassionate home visit claims: If **you** are claiming for the compassionate home visit benefit please send **us** a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** round-trip airfare, stating the class of

travel, and **your** bank account details.

Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, any **treatment** by a chiropractor, mental health practitioner, osteopath, chiropodist or podiatrist, a dietitian consultation or an MRI or CAT (CT) scan **you** must also send **us your medical referral letter**.

If **you** are claiming for a PET scan, **you** must also send **us your specialist's medical referral letter**.

Supplying the information required to process your claim

We can accept the information required to process **your claim** via email. Simply, scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form and email them all to claims@william-russell.com.

Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your claim**. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your claim** by post.

You must submit **your claim** within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the **claim** within this time. **We** will not pay any invoices received by **us** more than 12 months after the **treatment** date.

We will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, and any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer. If **you** provide **us** with incorrect payment details and **we** cannot recover the payment, **we** will not make the payment again to **you**.

We will only make payment to **you** or to the **medical services provider** that provided **your treatment**. Payment will not be made for **treatment** that has not been received yet.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

Using the direct billing service

To be eligible to receive the direct billing service, **your employer** must have completed an application for this service on **your** behalf and paid any additional **premium** invoiced by **us**.

If **you** are eligible for the direct billing service this will be stated on **your certificate of insurance**, and **you** will be issued with a membership card which bears the letters 'DB'. This card, together with photographic identification, will enable **you** to receive eligible **treatment** at **direct billing medical services providers** within **our medical network**. The **direct billing medical services provider** will bill **us** directly for **your treatment**.

If the cost of **your treatment** is greater than US\$500, the **direct billing medical services provider** will contact **us** for pre-

authorisation of the **treatment**. To avoid delays, **we** recommend that **you** contact **us** in advance of **your treatment**. Once **we** have verified that the **treatment** is eligible for cover, **we** will let the **direct billing medical services provider** know.

It is important to note that the **direct billing medical services provider** is not aware of the terms and benefits provided by **your plan**. They will provide **treatment** in accordance with a separate agreement between **us** and them.

This means that, for **claims** of less than US\$500 where the **direct billing medical services provider** is not obliged to contact **us** for pre-authorisation, it is **your** responsibility to claim only for **treatment** that is eligible for cover under **your plan**.

We have an obligation to settle all bills for **treatment** received from **direct billing medical services providers** within **our medical network**, provided that they fall within the terms of the contract between **us** and them.

If **you** receive **treatment** for a medical condition that is not covered by **your plan**, **we** will invoice **you** for the ineligible expenses **you** have claimed. This will also result in direct billing being withdrawn from **your plan**. If **you** do not repay to **us** these ineligible expenses within 30 days, **we** will withdraw the direct billing service from **you** and **we** will not renew **your plan**.

If **you** cancel **your plan**, **you** must return **your** membership card to **us**. **We** will cancel **your** cover with effect from the date **we** receive **your** membership card. **We** can accept a photograph of a cut card.

The membership cards are **our** property and **we** can ask **you** to return the cards to **us** at any time.

We have the right to remove direct billing from **your plan** at any time within your **period of cover**, at **our** discretion.

Exchange rates

We will settle **your claim** in the currency in which **your employer** pays **your premium** unless **you** instruct **us** otherwise. If **we** have to make a currency conversion, **we** will use the historic exchange rate (provided by oanda.com) applicable on the date of each separate invoice **you** submit.

Exchange rates are imported into **our** computer system overnight, each night, using the live exchange rate at the time of the import. This may vary slightly from the historic exchange rates shown on oanda.com for the relevant day, which are based on the average exchange rate for the day.

If **we** have placed a Guarantee of Payment **we** will use the exchange rate applicable on the date **we** placed the guarantee.

Excesses, co-insurance and benefit limits

The **excess** shown on **your certificate of insurance** is the amount each insured person will have to pay towards the cost of their **treatment**. The **excess** is taken per medical condition, **period of cover**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** and/or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess** per **claim**, this is the amount **you** will have to pay each time **you** make a new **claim** for **treatment** of a condition that is covered by **your plan**. If **you** subsequently suffer a new occurrence of that condition, this will be treated as a new **claim**, and **we** will apply the **excess** again to that new **claim**. If your course of **treatment** spans two **periods of cover**, **we** will apply the **excess** again when **your plan** renews.

If **your claim** is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

If **your excess** is per annum it will be applied once per **period of cover**. For example, if **your excess** is US\$250 per annum, **we** will not pay for the first US\$250 of eligible expenses **you** incur during **your period of cover**. **We** will apply one **excess per period of cover** irrespective of the number of **claims you** make. **You** must submit all eligible **claims to us** - even **claims** within **your annual excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your annual excess**. When **you** renew the **plan**, the annual **excess** will apply again in respect of **your new period of cover**.

Our right to request additional information

We may request additional medical information to enable **us** to assess **your claim**, such as medical reports or tests. These must be provided at **your** own expense. **We** may also request an independent medical examination. If **you** do not agree to supply **us** with additional medical information that **we** reasonably request, **we** will not be able to assess **your claim**.

If **you** require ongoing **treatment we** may ask for further medical information, and if **we** do, the cost of providing this information must be borne by **you**. **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

Our right to request a treatment review

We will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your claim form**. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal **claim** for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes any **treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your claim** for damages then **you** must repay to **us** the same proportion of **our** costs.

If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the **claim**. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy

and **claim** number and any other relevant information, when **you** first submit **your claim**. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the **claim**. This may involve **us** sending **your** personal information regarding **your claim** to the other insurer.

We will also allow sums paid by another insurer to be offset against the **excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us**.

Other information about your plan

Plan premiums

Your employer is responsible for paying the **premium**. **We** must be in receipt of the **premium** before **we** will commence **your** cover.

Your plan will only remain in force while **you** are employed by **your employer**. **We** will not pay for any **treatment** expenses incurred after **your** cover has ended, even it was previously authorised.

Unpaid or late premiums

We will automatically cancel **your** cover if **your employer** fails to pay **your premium** on or before the **premium due date**.

We may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **your employer** pays the outstanding **premium** within 30 days of the **premium due date**. During this 30 day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **your employer** has paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **your employer** does not pay the **premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your premium due date**. Once **we** have cancelled **your plan**, **your employer** will have to reapply for cover and **you** will have to complete a new **application form**, which will be subject to **medical underwriting**.

Changing your cover

Any changes to **your** cover must be requested by **your employer**, and may be subject to further requirements such as requiring **you** to complete a new **application form** which will be subject to **medical underwriting**. **We** cannot accept requests from **you** to change cover for **you** or **your** dependants.

Adding dependants to your plan

If the **plan** includes cover for **employees'** dependants **you** must apply for cover on behalf of **your** spouse or partner, if they are under 70 years of age on their **date of entry**.

You must also apply for cover for **your eligible dependant** children, if they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

We will not commence cover for a new **eligible dependant** until **we** have accepted their **application** and **we** have received payment of their **premium** from **your employer**.

Adding newborn babies to your plan

If the **plan** includes cover for **employees'** dependants **you** may add **your** newborn child to **your plan**, without any **medical underwriting**, provided **you** notify **us** of their full name and date of birth, and **your employer** pays the additional **premium** required, within 30 days of their date of birth. If **you** have been insured with **us** for a continuous period of twelve months or more at the date of birth, the **date of entry** can be backdated to

their date of birth. The child's cover will be restricted to the cover provided by **your employer's plan type**.

There will be no cover for **your** newborn baby under any benefit until the baby is insured under the **plan**.

If **you** do not inform **us** about the birth of **your** child within 30 days of their birth, and/or **your employer** does not pay the additional **premium** within 30 days of their date of birth, **you** will have to make a new **application** for **your** child to be added to **your plan**, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

In the event of the death of an insured person

If **you** (the **employee**) die and have **eligible dependants** insured under **your plan**, they will no longer be entitled to be insured on the **plan** and will be removed from the date of **your** death. However, they may apply to be insured on their own individual **plan**, provided they are over the age of 18 years.

To enable **us** to do this **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your** date of death. Provided **we** receive the new **application form**, and the required **premium**, **we** will continue their cover as before but subject to **our** Individual **premium** rates.

If **your eligible dependants** want to continue with cover that is enhanced in anyway in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **your eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** on their behalf.

If an insured **eligible dependant** dies, please inform **us** as soon as possible.

Divorce and separation

If **you** have **your** spouse or partner included under **your plan** and **you** become separated or divorced, **we** will have to transfer **your** insured spouse or partner on to their own **plan** as they will no longer be entitled to be covered on **your employer's plan**. To enable **us** to do this **we** will require **your** spouse or partner to complete a new **application form** which must be completed and returned to **us** within 30 days of **your** date of divorce or separation.

Provided **we** receive the new **application form**, and provided **premiums** are paid by the new **plan holder**, **we** will continue to cover **your** insured ex-spouse or partner as before, but subject to **our** individual **premium** rates. If **your** ex-spouse or partner wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

When a child dependant is no longer eligible to be covered under the plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be able to be included on the **plan** from the **renewal date** following their marriage/birthday. However, they may apply to be insured on their own individual **plan**.

To enable **us** to continue their cover as before **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your renewal date** along with the appropriate **premium** due, which will be subject to **our** individual **premium** rates.

If **your** child wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

Changing your address, country of residence or country of nationality

You must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your country of residence** or **you** change **your country of nationality**, **you** must tell **us** straight away.

If **you** have a restricted **area of cover** and **you** move to a country outside **your area of cover**, **your employer** must apply to change **your area of cover**. **Your** application will be subject to **medical underwriting**.

If Switzerland is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if Switzerland is or becomes **your country of residence**, irrespective of **your** nationality. If Switzerland becomes **your country of residence** **you** must tell **us**. **Your** cover will automatically terminate from the renewal date after you take up residence in Switzerland.

If the USA is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if the USA is or becomes **your country of residence**, irrespective of **your** nationality. If the USA becomes **your country of residence** **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the USA.

If you leave your employment

If **you** leave **your** employment **you** are no longer eligible to be included on **your employer's plan** and **you** will be removed on the date **your** employment ceases. In some circumstances **you** may be allowed to continue cover with **us** on an individual **plan** with no additional **medical underwriting**, but subject to **our** individual **premium** rates. If **you** would like more information about this then please contact **us**.

When we can cancel your plan

We have the right to cancel **your plan** immediately if:

- **your employer** does not pay **your premium** and other charges such as insurance **premium** tax within 30 days of any **premium due date**

- **your** employment with the **employer** ceases (and **you** have not submitted an **application form** and paid the required **premium** within 30 days of the date on which it ceased)
- **you** have not provided **us** with medical information **we** have requested to enable **us** to assess a **claim** or any potential **claim** that may arise in the future
- **you** have not repaid to **us** fully any ineligible **claim** payments **we** have invoiced **you** with
- **you**, any **insured person** or any person acting on **your** behalf has made any threatening or abusive comment, or used any unacceptable language towards **us** or any member of **our** staff, or any service provider acting on **our** behalf, whether verbally (including any telephone conversation) or in writing (including any electronic communication)
- **we** reasonably suspect that any **insured person** has misled **us** or attempted to mislead **us**, whether intentionally or carelessly, either at the time of joining or when making a **claim**, by:
 - making a **claim** under this policy knowing it to be dishonest, intentionally exaggerated or fraudulent in any way
 - providing **us** with incomplete or false information
 - working with another party to provide false information to **us**
 - changing original documents

If **we** cancel **your plan** for any of the above reasons **we** may also report the matter to the relevant authorities, if appropriate.

We have the right to cancel **your** plan from **your renewal date** if you move to a country where **we** are unable to offer continued cover due to compliance, and/or legal reasons.

When we may apply special terms to your plan

We have the right to apply **special terms** to **your plan** if **you** give **us** inaccurate or incomplete information. Such **special terms** will be applied from **your date of entry**.

Our liability under this plan

Our liability under this **plan** is limited to paying for **treatment** or services in respect of eligible **claims** under this **plan**. The choice of provider of the **treatment** or services for which **you** are claiming under this **plan** is **your** responsibility. **We** make no representations or recommendations regarding the availability and standard of any **treatment** or services offered or provided by any **hospital** or **medical services provider**. **We** will not be held liable to **you** or any **insured person** for any loss, harm or damage of any description resulting from lack of availability or from a defect in the quality of any **treatment** or service offered or provided by any **hospital** or **medical services provider**. This **plan** represents the whole and only **agreement** between **your employer** and the **insurer** relating to the provision of **your** private medical insurance.
