We will pay for the **reasonable and customary** costs of **medically necessary treatment** of medical conditions covered by **your plan**. We will only pay for such **treatment** if it is received during **your period of cover**, and provided **your premium** payments have been kept up to date.

Any reimbursement **we** make may be subject to an **excess** and/ or **co-insurance**, and certain benefits are subject to a benefit limit. **Your excess** amount will be stated on **your certificate of insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for **your plan type**.

Your obligation to provide information relating to you and your dependants' medical history

We rely on the information **you** supply to **us** in **your application form** when **we** decide whether or not to accept **your application**, and whether or not **we** need to apply **special terms**.

If **your application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare **your plan** void. Alternatively **we** may impose **special terms** on **your** particular **plan** which will apply from **your date of entry**.

If **your** state of health, or the state of health of any of **your eligible dependants** changes between the time **you** complete **your application form** and **your date of entry**, **you** must tell **us** in writing about the change, and **we** may only be able to accept **your application** with **special terms**.

Your cover will commence from the **date of entry** stated on **your certificate of insurance**. **We** will not commence **your** cover until **we** have accepted **your application** and **we** have received

payment of **your** full annual, half-yearly, quarterly or monthly **premium**.

Your area of cover

The cover provided by **your plan** is restricted to the **area of cover** stated on **your certificate of insurance**. The **areas of cover**, and their corresponding territorial limits, are stated below.

Zone 1

Worldwide, excluding the United States of America.

USA cover options

The following two options provide limited cover in the United States of America. They are only available if **you** have selected Zone 1 as your **area of cover**.

If **you** have one of the options for limited cover in the United States of America, it will be stated on **your certificate of insurance**.

Cover in the USA limited to temporary trips of up to 45 days

We will cover **you** in the United States of America for **temporary trips** of up to 45 days' duration from the date on which **you** enter the United States of America. Any trip of longer than 45 days will not be covered but there is no limit to the number of **temporary trips you** can make to the United States of America during any one **period of cover**. The maximum amount **we** will pay in respect of **treatment you** receive in the United States of America is

- US\$250,000 per **insured person**, per **period of cover**, for **accident & emergency treatment** of a condition that you have not previously suffered from

Cover in the USA limited to temporary trips of up to 90 days

There is no limit to the number of **temporary trips** each **insured person** can make during any one **period of cover**, but any **treatment** that is received during a **temporary trip** that is longer than 90 days will not be covered. The maximum amount **we** will pay in respect of **treatment you** receive in the United States of America is:-

- US\$250,000 per **insured person**, per **period of cover**.

What you are covered for

The following **table of benefits** sets out the cover provided by each **plan type**. The **plan type** you have is as shown on **your certificate of insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

Each benefit limit in the **table of benefits** is expressed in US Dollars, Sterling, and Euros. The currency of the benefit limits that we will apply to **your plan** is shown on **your certificate of insurance**.

The limits shown in the **table of benefits** are the maximum amounts we will pay after the application of any **excess** and **co-insurance**, and will be subject to the annual benefit limit and any other specified applicable benefit limits.

Certain benefits in the **table of benefits** specify a **waiting period**. You must be covered by the same **plan** for the full duration of the specified **waiting period** before you can **claim** for that benefit. No benefit is payable for any **treatment** costs incurred during the **waiting period**.

Wherever the term 'Full cover' appears in the **table of benefits**, this means full refund of **reasonable and customary** charges, less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits or restrictions that are specified anywhere else in the **table of benefits** for the type of **treatment** or care you receive.

Where there is a lifetime benefit limit, this is the maximum amount we will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** are optional. You are only eligible for these benefits if you have selected them and they are stated on **your certificate of insurance**.

There are certain benefits in the **table of benefits** for which you must obtain pre-authorisation.

If you do not obtain pre-authorisation we will only pay 80% of the **reasonable and customary** cost of **treatment**.

If you choose a **private room** for your **in-patient** or **day-patient treatment** at the **restricted hospitals in Hong Kong** (listed below), the cover we provide for all **treatment** and accommodation costs will be subject to a 20% **co-insurance**. This means that you will need to contribute 20% of your **treatment** and accommodation costs.

- Matilda International Hospital
- Hong Kong Adventist Hospital
- Hong Kong Sanatorium & Hospital

Please note that this restriction applies even if you did not select the **semi-private room** or **general ward** options on your **application form**.

The **table of benefits** should be read in conjunction with the 'What you are not covered for' section of this **agreement**.

If you need to make a claim

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorisation.

If **you** need to **claim** for a benefit or **treatment** for which **you** must obtain pre-authorisation, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorised by **us** in advance.

Eligible medical services providers

You have the freedom to choose when and where **you** receive **your** medical **treatment** within **your area of cover**. Please note that **we** will only pay up to the **reasonable and customary** monetary amount which is typically charged in the country where **treatment** is being received.

If you have optional USA cover and you seek treatment in the USA

All **treatment** **you** receive in the USA must be pre-authorised in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the USA that has not been pre-authorised.

If **we** instruct a local agent to arrange the billing or cost adjustment of **your** medical **treatment** expenses in the USA, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the 'Your area of cover' section of this **agreement**.

If you are admitted to hospital

All **in-patient** and **day-patient** **hospital** **treatment** must be pre-authorised by **us** or by the **Assistance Service** more than 48 hours in advance.

Please contact **us** as soon as **you** know **you** need to have **in-patient** or **day-patient** **treatment** so **we** can contact the **hospital** to obtain the necessary medical information.

We will ask **you** to complete a pre-authorisation form and a consent form for the **hospital** to release details to **us**. Once **we** have received all information required from the **hospital** and **yourself** (to include any additional information **we** may request) **we** will advise **you** if the proposed **treatment** will be covered by **your plan**.

If **you** are admitted to **hospital** in an emergency and it is not reasonably possible for **you** to contact **us** in advance of **your** admission, **we** will consider **your claim**, provided **you** contact **us** within 24 hours of **your** admission. If **you** do not contact **us** within 24 hours, **we** may decline **your claim**, or subject **your claim** to 20% **co-insurance**.

If you have out-patient treatment and the cost of the treatment exceeds US\$500

If **your out-patient treatment claim** exceeds US\$500 or more, **you** must obtain pre-authorisation from **us**. **We** will only reimburse 80% of any eligible **treatment** costs that have not been pre-authorised in advance by **us**. Please note that all **advanced imaging** must be pre-authorised in advance.

If you have out-patient treatment and the cost of the treatment is less than US\$500

Out-patient treatment claims with a value of less than US\$500 do not need to be pre-authorised in advance by **us**. However, **we** do always recommend that **you** contact **us** or the **assistance Service**, even in the event of an **emergency**, before undergoing any **treatment** to ensure that the **treatment** is covered by **your plan**. Please note that all **advanced imaging** must be pre-authorised in advance.

If you do not obtain pre-authorisation for treatment that we have specified must be pre-authorised

For eligible **treatment**, which has not been pre-authorised, **we** will only reimburse 80% of the eligible costs.

How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a **claim** form from **our** website.

Please complete section A of the **claim** form. If the total amount of **your claim** is likely to exceed US\$500 (or the foreign currency equivalent), please take the **claim** form with **you** when **you** visit **your doctor** and ask him or her to complete and sign section B of the **claim** form.

Scan the completed **claim** form and the fully itemised invoices and receipts for the **treatment** **you** have received, and send to claims@william-russell.com.

Even if **your claim** is less than US\$500 **we** may in some cases require **your doctor** to complete and sign section B of **your** claim form before **we** can settle **your claim**.

We can only reimburse **your claim** when **we** have fully itemised invoices and receipts which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices, receipts and claim forms for 12 months. **We** may require these for auditing purposes.

Claim forms are not required however when **you** are claiming for the following benefits:

Well-being and dental claims: If **you** are claiming for the well-being benefit, or dental benefit please send **us** the fully itemised invoices and receipts for which **you** are claiming reimbursement, together with **your** bank account details.

Compassionate home visit claims: If **you** are claiming for the compassionate home visit benefit please send **us** a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** round-trip airfare, stating the class of travel, and **your** bank account details.

Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, any **treatment** by a chiropractor, **out-patient** mental health **treatment**, osteopath, chiropodist or podiatrist, a dietitian consultation or an MRI or CAT (CT) scan **you** must also send **us your medical referral letter**. If **you** are claiming for a PET scan, **you** must also send **us your specialist's medical referral letter**.

Supplying the information required to process your claim

We can accept the information required to process **your claim** via email. Simply, scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form and email them all to claims@william-russell.com. Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your claim**. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your claim** by post.

You must submit **your claim** within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the **claim** within this time. **We** will not pay any invoices received by **us** more than 12 months after the **treatment** date.

We will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, as well as any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer. If **you** provide us with incorrect payment details and **we** cannot recover the payments, **we** will not make the payment again to **you**.

We will only make payment to **you** or to the **medical services provider** that provided **your treatment**. Payment will not be made for **treatment** that has not been received yet.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

Using the direct billing service

To be eligible to receive the direct billing service, **you** must have completed an application for the service.

If **you** are eligible for the direct billing service this will be stated on **your certificate of insurance**, and **you** will be issued with a membership card which bears the letters 'DB'. This card, together with photographic identification, will enable **you** to receive eligible **treatment** at **direct billing medical services providers** within **our medical network**. The **direct billing medical services provider** will bill **us** directly for **your treatment**.

If the cost of **your treatment** is greater than US\$500, the **direct billing medical services provider** will contact **us** for pre-authorisation of the **treatment**. To avoid delays, **we** recommend that **you** contact **us** in advance of **your treatment**. Once **we** have

verified that the **treatment** is eligible for cover, **we** will let the **direct billing medical services provider** know.

It is important to note that the **direct billing medical services provider** is not aware of the terms and benefits provided by **your plan**. They will provide **treatment** in accordance with a separate agreement between **us** and them.

This means that, for **claims** of less than US\$500 where the **direct billing medical services provider** is not obliged to contact **us** for pre-authorisation, it is **your** responsibility to claim only for **treatment** that is eligible for cover under **your plan**.

We have an obligation to settle all bills for **treatment** received from **direct billing medical services providers** within **our medical network**, provided that they fall within the terms of the contract between **us** and them.

If **you** receive **treatment** for a medical condition that is not covered by **your plan**, **we** will invoice **you** for the ineligible expenses **you** have claimed. This will also result in direct billing being withdrawn from **your plan**. If **you** do not repay to **us** these ineligible expenses within 30 days, **we** will not renew **your plan**.

If **you** cancel **your plan**, **you** must return **your** membership card to **us**. **We** will cancel **your** cover with effect from the date **we** receive **your** membership card. **We** can accept a photograph of a cut card.

The membership cards are **our** property and **we** can ask **you** to return the cards to **us** at any time.

We have the right to remove direct billing from **your plan** at any time within **your period of cover** at **our** discretion.

Exchange rates

We will settle **your claim** in the currency in which **you** pay **your premium** unless **you** instruct **us** otherwise. If **we** have to make a currency conversion, **we** will use the historic exchange rate (provided by oanda.com) applicable on the date of each separate invoice **you** submit.

Exchange rates are imported into **our** computer system overnight, each night, using the live exchange rate at the time of the import. This may vary slightly from the historic exchange rates shown on oanda.com for the relevant day, which are based on the average exchange rate for the day.

If **we** have placed a Guarantee of Payment **we** will use the exchange rate applicable on the date **we** placed the guarantee.

Excesses, co-insurance, and benefit limits

The **excess** shown on **your certificate of insurance** is the amount each insured person will have to pay towards the cost of their **treatment**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess per claim**, this is the amount **you** will have to pay each time **you** make a new **claim** for **treatment** of a condition that is covered by **your plan**. If **you** subsequently suffer a new occurrence of that condition, this will be treated as a new **claim**, and **we** will apply the **excess** again to that new **claim**. If your course of **treatment** spans two **periods of cover**, **we** will apply the **excess** again when **your plan** renews.

If **your claim** is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

If **your excess** is per annum it will be applied once per **period of**

cover. For example, if **your excess** is US\$500 per annum, **we** will not pay for the first US\$500 of eligible expenses **you** incur during **your period of cover.** **We** will apply one **excess per period of cover** irrespective of the number of **claims you** make.

You must submit all eligible **claims to us** - even **claims** within **your annual excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your annual excess.** When **you** renew the **plan**, the annual **excess** will apply again in respect of **your new period of cover.**

Our right to request additional information

We may request additional medical information to enable **us** to assess **your claim**, such as medical reports or tests. These must be provided at **your** own expense. **We** may also request an independent medical examination. If **you** do not agree to supply **us** with additional medical information that **we** reasonably request, **we** will not be able to assess **your claim.**

If **you** require ongoing **treatment we** may ask for further medical information, and if **we** do, the cost of providing this information must be borne by **you.** **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

Our right to request a treatment review

We will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal **claim** for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes any **treatment** costs **we** have paid, **you** must repay that amount to **us.** Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us.** If **you** only receive a proportion of **your claim** for damages then **you** must repay to **us** the same proportion of **our** costs.

If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the **claim.** In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy

and **claim** number and any other relevant information, when **you** first submit **your claim.** **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the **claim.** This may involve **us** sending **your** personal information regarding **your claim** to the other insurer.

We will also allow sums paid by another insurer to be offset against the **excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us.**

Other information about your plan

Plan premiums

The **plan premiums** are age-related and will increase as **you** get older. The **plan premiums** are not guaranteed for the duration of **your plan** and are subject to annual review. The **plan premiums** are also dependent upon **your country of residence**. **You** must tell **us** if **your country of residence** changes.

All **premiums** are payable in advance of the **premium due date** as shown on **your invoice**. **Premiums** must be paid in the **plan** currency.

You may pay **your premiums** by the following method:

- annually by cheque or direct debit from a UK bank account, bank transfer, or an acceptable credit or debit card
- half-yearly, quarterly, or monthly by an acceptable credit or debit card, or by direct debit from a UK bank account

We can only accept credit or debit card payments if **you** have a sterling, euro or dollar **plan**.

We can only accept direct debit payments if **you** have a sterling **plan**.

If **you** pay **your premiums** by direct debit, **we** will require **your** original, signed direct debit mandate before **we** can commence **your plan**.

If insurance **premium** tax or any similar charge is levied by the government in **your country of residence**, **you** must also pay to **us** the amount of such tax.

Premiums must be paid directly to **us**. If **you** pay **your premiums** to anyone else such as an intermediary or insurance broker, then that person is acting on **your** behalf as **your** agent. **We** are not responsible for any **premiums** paid to any third party.

When **you** provide **us** with **your** debit/credit card details or direct debit mandate **you** are authorising **us** to debit **your** account with the appropriate **premiums** due for the current **plan** year and for all subsequent renewal **premiums** due as invoiced by **us**, until such time as **you** advise **us** in writing that **you** wish to alter **your** payment method or cancel **your plan**. It is **your** responsibility to keep **us** informed about **your** current credit/debit card details. Provided the details **we** hold for **you** are still valid, **we** will automatically debit **your** account with **your** renewal **premium** on or before **your** renewal date.

Unpaid or late premiums

We will automatically cancel **your** cover if **you** fail to pay **your premium** on or before the **premium due date**, or if **we** are unable to collect **your premium** from **your** credit/debit card, or by direct debit for any reason.

We may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30 day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **you** have paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **you** do not pay **your premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your premium due date**. Once **we** have cancelled **your plan**, **you** will have to complete a new **application form** which will be subject to **medical underwriting**.

Enhancing your cover

You may apply to enhance **your** cover at any time by completing a new **application form**, and the enhanced cover will be subject to **medical underwriting**.

If **we** accept **your application** for enhanced cover, **we** will issue an invoice for the increased **premium**. **Your** enhanced cover will commence from the date **we** receive **your premium**, provided it is received within 30 days of the date of **your application**.

If **you** enhance **your plan type**, **claims** in respect of benefits that are subject to a **waiting period** will be assessed in accordance with **your** former **plan type** until the expiry of **your** new **plan's** **waiting period** for that benefit. For example, if **you** are covered by the Silver **plan**, and **you** enhance **your plan** to the Gold **plan**, any benefit payable in respect of the well-being benefits section will be restricted to the Silver **plan** benefit limit for the first 6 months of **your** Gold **plan**.

If **you** apply to reduce **your excess**, **we** will continue to apply **your** previous **excess** to any **claim** for any condition that first manifests itself after **your** original **date of entry** to **your** previous **plan**, but before the date **your excess** is reduced.

If **we** accept **your application** for enhanced cover and **you** have previously reduced **your** cover, all conditions whether diagnosed or not prior to the enhancement will be restricted to the cover prior to the enhancement.

Reducing your cover

If **you** wish to reduce the cover under **your plan** in any way, **you** must tell **us** in writing and **we** will make the change from **your** next **renewal date** only.

We may refuse any request to change **your excess** to a per annum basis.

If **you** wish to cancel the optional Dental Basic, Dental Plus or Medevac Plus benefits, they will be cancelled for all **insured** persons on **your plan**.

Changing your plan currency

Once cover under **your plan** has commenced, **you** cannot change **your plan** currency.

However **you** can cancel **your plan** and apply for a new **plan**. **You** will have to complete a new **application form** which will be subject to **medical underwriting**.

Adding dependants to your plan

You may apply for cover on behalf of **your** spouse or partner, provided they are under 70 years of age on their **date of entry**.

You may also apply for cover for **your eligible dependant**

children, provided they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

We will not commence cover for a new **eligible dependant** until **we** have accepted their **application** and **we** have received payment of their **premium**.

Adding newborn babies to your plan

You may add **your** newborn child to **your plan**, without any **medical underwriting**, provided **you** notify **us** of their full name and date of birth, and make payment of their **premium**, within 30 days of their date of birth. If **you** have been insured with **us** for a continuous period of twelve months or more at the date of birth, the **date of entry** can be backdated to their date of birth. The child's cover will be restricted to the cover provided by **your** (the **plan holder's**) **plan type**.

There will be no cover for **your** newborn baby under any benefit until the baby is insured under the **plan**.

If **you** wish **your** child to have cover that is enhanced in any way in comparison to **your** (the **plan holder's**) cover, **we** will require an **application form**, and **your** child's **application** will be subject to **medical underwriting**.

If **you** do not inform **us** about the birth of **your** child within 30 days of their birth, and/or **you** do not pay the additional **premium** within 30 days of their date of birth, **you** will have to make a new **application** for **your** child to be added to **your plan**, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

In the event of the death of an insured person

If **you** (the **plan holder**) die, provided no **claim** has been made on **your plan**, **we** will refund any **unused premium** from **your** date of death.

If **you** (the **plan holder**) have **eligible dependants** insured under **your plan**, as the contract is between **us** and **you** as the **plan holder**, **we** will have to transfer **your eligible dependants** on to their own **plan**.

To enable **us** to do this **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your** date of death. Provided **we** receive the new **application form**, and provided **premiums** continue to be paid up to date, **we** will continue their cover as before.

If **your eligible dependants** want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **your eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** as the **plan holder** on their behalf.

If an insured **eligible dependant** dies, please inform **us** as soon as possible. If they have made no **claim** on their **plan**, any **unused premium** from their date of death will be refunded. However if the deceased **insured person** had made a **claim**, no **premium** refund will be made.

Divorce and separation

If **you** (the **plan holder**) have **your** spouse or partner included

under **your plan** and **you** become separated or divorced, **we** will have to transfer **your** insured spouse or partner on to their own **plan**. To enable **us** to do this **we** will require **your** spouse or partner to complete a new **application form** which must be completed and returned to **us** within 30 days of **your** date of divorce or separation.

Provided **we** receive the new **application form**, and provided **premiums** continue to be paid up to date, **we** will continue to cover **your** insured ex-spouse or partner as before. If **your** ex-spouse or partner wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

When a child dependant is no longer eligible to be covered under your plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be eligible to be included in **your plan** from the **renewal date** following their marriage/birthday.

However, **your** child may apply to continue their cover on their own **plan**, at the applicable adult **premium** rate, provided they send **us** their completed **application form** and **we** receive the appropriate **premium** within 30 days of **your renewal date**.

If they want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and any enhancement in their cover will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

Changing your address, country of residence or country of nationality

You must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your country of residence** or **you** change **your country of nationality**, **you** must tell **us** straight away.

If **you** have a restricted **area of cover** and **you** move to a country outside **your area of cover**, **you** must apply to change **your area of cover**. **Your** application will be subject to **medical underwriting**.

If **you** have the standard **area of cover** and **you** return to **your country of nationality**, **you** may continue to renew **your plan** provided that the local laws in **your country of nationality** permit **us** to offer **you** cover, and provided that **we** agree to offer cover in that country. **We** reserve the right to refuse to offer cover in certain countries.

If Switzerland is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if Switzerland is or becomes **your country of residence**, irrespective of **your** nationality. If Switzerland becomes **your country of residence** **you** must tell **us**. **Your** cover will automatically terminate from the renewal date after you take up residence in Switzerland.

If the USA is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if the USA is or becomes **your country of residence**, irrespective of **your** nationality. If the USA becomes **your country of residence** **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the USA.

Provided there have been no **claims** made, **we** will refund any **unused premium**. If a **claim** has been made by any **insured person**, no **premium** refund will be paid.

Renewing your plan

You may continue to renew **your plan**, each year, regardless of **your** age or state of health, or the number or value of **claims** **you** have made. **We** will not cancel **your plan** unless **we** are entitled to do so under **our** cancellation policy.

Prior to **your plan renewal date** **we** will send **you** an invoice by email stating **your premiums** for **your new period of cover**.

Your premium for each new **period of cover** will be determined by the following:

- **your** age at the start of **your new period of cover**
- the ages of **your eligible dependants** at the start of their new **period of cover**
- the number of eligible children **you** insure
- **your plan type**
- **your area of cover**
- **your excess** amount
- **your country of residence**

Other factors may affect **your** renewal **premiums**, such as general changes **we** make to **our premiums** annually, and changes to the discounts **we** apply to increase the standard **excess**, to the loadings **we** make to decrease the standard **excess**, to the child **premium** discounts, and to the surcharge for instalment **premiums**.

We may also change the methods of payment **we** offer.

Your premiums may also be affected by the introduction of, or increase to insurance **premium** tax or other tax, levy or charge applicable in **your** county of residence.

We may also change the benefits offered by **your plan type** and/or **your excess** amount. If **we** do, **we** will write to **you** before **your renewal date** to confirm these benefit changes and/or change in **excess** amount. Any changes **we** make to **your** benefits or **excess** amount will come into effect from the **renewal date** of **your plan**.

From time to time **we** may decide to discontinue the **plan** **you** are a member of, and/or change the **excess** amount available. If this happens **we** will transfer **your** membership to another similar **plan**.

Paying your renewal premium

You must pay **your** renewal **premium** on or before the due date.

If **you** pay **your premium** by credit or debit card or by direct debit, unless **you** tell **us** not to, and provided **your** credit and debit card details are current, **we** will withdraw **your** renewal **premium** on or around its due date.

If **you** do not pay **your** renewal **premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your premium due date**.

We may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30 day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **you** have paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorized.

If **you** do not wish to renew **your plan** **you** must inform **us** in writing as soon as **you** receive **your** renewal **premium** invoice and prior to **your renewal date**.

Child premium discounts

When **you** have **eligible dependant** children included in **your** (the **plan holder's**) **plan**, the child **premium** discounts will be applied as follows:

- the first child will be charged 100% of the child **premium** rate
- the second child will be charged 85% of the child **premium** rate
- the third child and all subsequent children will be charged 75% of the child **premium** rate

If a child leaves **your**, the **plan holder's**, **plan**, **we** will re-calculate the **premiums** for the remaining children with effect from the date on which the child leaves. This means that the child **premiums** **you** pay will always be based on the actual number of children **you** insure.

Child premium discounts are not available when **you**, the **plan holder**, are not an **insured person**. In such cases, the child **premium** rate will be increased by 20%.

No claim incentive (applicable only to persons whose date of entry is prior to 01 January 2007)

For as long as **you** make no **claim** on **your plan**, **we** will use **your** age at **your date of entry** (or if **your date of entry** is before 01 January 1999 **your** age at **your renewal date** in 1999), when **we** calculate **your** renewal **premium**. This does not mean that **your premium** will remain the same each year. There are other factors that may affect **your** renewal **premiums**, such as the general rate of medical inflation that **we** apply to all of **our premiums** each year, insurance **premium** tax or other tax, levy or charge applicable in **your** county of residence.

If **you** make a **claim** (other than a well-being **claim**), **your** entitlement to this no **claim** incentive will cease from the date on which **you** first suffered the symptoms which gave rise to **your claim**, or from the date on which **you** first received **treatment**, whichever date is the earlier. Then, with effect from **your** next **renewal date**, **you** will be required to pay the **premium** applicable to **your** actual age at **your renewal date**.

If **we** are not notified of **your claim** until after **we** have issued **your** renewal **premium** invoice, or until after **you** have paid **your** renewal **premium**, **you** must pay to **us** the difference between the **premium** **we** invoiced before **we** knew about **your claim**, and the **premium** based on **your** actual age at **your renewal date**. If **you** pay **your premiums** annually, **we** will issue an invoice for the difference in **premium**. If **you** pay **your premiums** in instalments, **we** will debit **your** card for the difference in **premium** and adjust **your** future **premium** instalment payments. If **you** do not pay **us** the difference in **premium** **we** reserve the right to deduct the amount owing to **us** from **your claim** settlement.

This incentive does not apply in respect of **eligible dependant** children, or in respect of children insured under **your plan** who leave **your plan** and take up their own **plan**.

Cancelling your plan

If **you** wish to cancel **your plan**, or if **you** want to cancel cover for one of **your dependants**, **you** must instruct **us** in writing by letter, email, or fax. **We** will cancel cover from the date we receive **your** written instructions, or from a date in the future that **you** have specified. **We** will not cancel cover from a date prior to **us** receiving **your** written instruction to cancel.

If **you** are eligible for direct billing services, **we** will cancel **your** cover from the date on which **we** receive **your** returned membership card.

We will only make a refund in respect of **unused premium** if no claim has been made. If a claim has been made by any **insured person**, no **unused premium** will be refunded in respect of that **insured person**.

When we can cancel your plan

We have the right to cancel **your plan** immediately if:

- **you** do not pay **your premium** and other charges such as insurance **premium** tax within 30 days of any **premium due date**
- **you** have not provided **us** with medical information **we** have requested to enable **us** to assess a **claim** or any potential **claim** that may arise in the future
- **you** have not repaid to **us** fully any ineligible **claim** payments **we** have invoiced **you** with
- **you**, any **insured person** or any person acting on **your** behalf has made any threatening or abusive comment, or used any unacceptable language towards **us** or any member of **our** staff, or any service provider acting on **our** behalf, whether verbally (including any telephone conversation) or in writing (including any electronic communication)
- **we** reasonably suspect that any **insured person** has misled **us** or attempted to mislead **us**, whether intentionally or carelessly, either at the time of joining or when making a **claim**, by:
 - making a **claim** under this policy knowing it to be dishonest, intentionally exaggerated or fraudulent in any way
 - providing **us** with incomplete or false information
 - working with another party to provide false information to **us**
 - changing original documents

If **we** cancel **your plan** for any of the above reasons **we** will not refund any **premium** **you** have paid to **us**. **We** may also report the matter to the relevant authorities, if appropriate.

We have the right to cancel **your plan** from **your renewal date** if **you** move to a country where **we** are unable to offer continued cover due to compliance, and/or legal reasons.

When we may apply special terms to your plan

We have the right to apply **special terms** to **your plan** if **you** give **us** inaccurate or incomplete information. Such **special terms** will be applied from **your date of entry**.

Your responsibilities as the plan holder

It is **your** responsibility to:

- ensure that all **premiums** are paid when they are due
- inform **us** if **your** personal details, or the personal details of any

insured person, change

- keep **us** advised of **your** current email address
- inform **us** if **you** change **your** address, **country of residency** or **country of nationality**

Our liability under this plan

Our liability under this **plan** is limited to paying for **treatment** or services in respect of eligible **claims** under this **plan**. The choice of provider of the **treatment** or services for which **you** are claiming under this **plan** is **your** responsibility. **We** make no representations or recommendations regarding the availability and standard of any **treatment** or services offered or provided by any **hospital** or **medical services provider**. **We** will not be held liable to **you** or any **insured person** for any loss, harm or damage of any description resulting from lack of availability or from a defect in the quality of any **treatment** or service offered or provided by any **hospital** or **medical services provider**. This **plan** represents the whole and only **agreement** between **you** and the **insurer** relating to the provision of private medical insurance.

If **your treatment** extends beyond the end of **your** trip's specified return date, **your cover** will cease at the end of the term defined in **your area of cover** wording. For example if **you** have Zone two area of **cover** and **you** are on a 30 day trip to the United Kingdom, which becomes extended to 100 days, **your** limited cover in the United Kingdom will cease 90 days after **your date of entry** to the United Kingdom.

Terminal medical condition

A condition that has become incurable and all the **treatments** given are to prolong life.

Treatment

Surgical or medical services (including **diagnostic tests**) that are needed to diagnose, relieve or cure a disease, illness or injury.

Unused premium

The amount of **premium** that is attributable to the period from the date after the date of cancellation, up to the date before the next **premium due date**.

In the event of a refund of **unused premium** being eligible, the **unused premium** amount refunded, (using an annually paid **plan** as an example), will be the annual **premium** paid divided by 12 and multiplied by the number of whole calendar months remaining in the **period of cover**. If the **plan** is cancelled part way through a month, an additional amount, equal to one twelfth of the annual **premium** paid, multiplied by the proportion of days without cover in the calendar month of cancellation will also be paid.

For example, if the annual **premium** for an **insured person** is US\$3,000, the **period of cover** is 1st January to 31st December 2019, and the **insured person** leaves the **plan** on 27th September 2019, the **unused premium** will be US\$775, as:

- $((US\$3,000 / 12) \times 3) = US\750 for the three whole months without cover (October, November and December); added to -
- $((US\$3,000 / 12) \times 0.1) = US\25 for the three days in September without cover (the 0.1 calculated in this example by dividing 3 (the days in September without cover, i.e. the 28th, 29th and 30th) by the total number of days in September (30))

Appropriate calculation methods using the same principle as the above example will be used if the **premium** frequency is not annual.
