# Your plan agreement

---

This **agreement**, together with **your application form** and **your Certificate of Insurance**, make up the contract between **you** and **us**. The terms of this **agreement** apply to **you** and to all of **your eligible dependants** as stated in the schedule of **insured persons** on your **Certificate of Insurance**.

## The purpose of your plan

**Your plan** provides **you** with benefit for the cost of treating eligible medical conditions which arise after **your date of entry**.

**We** will pay for the **reasonable and customary** costs of **medically necessary treatment** of medical conditions covered by **your plan**. **We** will only pay for such **treatment** if it is received during **your period of cover**, and provided **your premium** payments have been kept up to date.

Any reimbursement **we** make may be subject to an **excess** and/or **co-insurance**, and certain benefits are subject to a benefit limit. **Your excess** amount will be stated on **your Certificate of Insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for **your plan**.

## Your obligation to provide information relating to you and your dependants' medical history

**We** rely on the information **you** supply to **us** in **your application form** when **we** decide whether or not to accept **your application**, and whether or not **we** need to apply **special terms**.

If **your application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare **your plan** void. Alternatively **we** may impose **special terms** on **your** particular **plan** which will apply from **your date of entry**.

If **your** state of health, or the state of health of any of **your eligible dependants** changes between the time **you** complete **your application form** and **your date of entry**, **you** must tell **us** in writing about the change, and **we** may only be able to accept **your application** with **special terms**.

## Pre-existing medical conditions and related conditions

Unless **we** have agreed otherwise, **your plan** will not cover any **pre-existing medical conditions** or **related conditions**.

## Age limits

**You** must be under 70 years of age at the commencement date of **your plan**.

**You** may apply for cover on behalf of **your** spouse or partner (provided they are under 70 years of age) and/or on behalf of **your** unmarried children, provided they are aged less than 18 years old, or less than 25 years old if in continuous full-time education.

## Commencement of your cover

**Your** cover will commence from the **date of entry** stated on **your Certificate of Insurance**. **We** will not commence **your** cover until **we** have accepted **your application** and **we** have received payment of **your** full annual, half-yearly, quarterly or monthly **premium**.

# Your area of cover

---

The cover provided by **your plan** is restricted to the **area of cover** stated on **your Certificate of Insurance**. The **areas of cover**, and their corresponding territorial limits, are stated below.

## Zone 1

Worldwide, excluding the United States of America.

## USA cover options

The following two options provide limited cover in the United States of America.

If **you** have one of the options for limited cover in the United States of America, it will be stated on **your Certificate of Insurance**.

### Cover in the USA limited to temporary trips of up to 45 days (USA-45)

We will cover **you** in the United States of America for **temporary trips** of up to 45 days' duration from the date on which **you** enter the country. Any trip of longer than 45 days will not be covered, but there is no limit to the number of **temporary trips you** can make to the United States of America during any one **period of cover**.

The overall maximum amount **we** will pay in respect of **treatment you** receive in the United States of America is US\$250,000 per **insured person**, per **period of cover**. Within this amount, **we** will pay: -

- up to US\$100,000 for elective **treatment**; and
- up to US\$250,000 for **accident & emergency treatment** of a condition that **you** have not previously suffered from prior to commencing **your temporary trip**.

We do not cover emergency evacuation to, from or within the United States of America, even if **you** have selected the USA-45 option.

### Cover in the USA limited to temporary trips of up to 90 days (USA-90)

We will cover **you** in the United States of America for **temporary trips** of up to 90 days' duration from the date on which **you** enter the country. Any trip of longer than 90 days will not be covered, but there is no limit to the number of **temporary trips you** can make to the United States of America during any one **period of cover**.

The overall maximum amount **we** will pay in respect of **treatment you** receive in the United States of America is US\$250,000 per **insured person**, per **period of cover**. This overall maximum amount includes both elective **treatment** and **accident & emergency treatment** that **you** receive.

We do not cover emergency evacuation to, from or within the United States of America, even if **you** have selected the USA-90 option.

# What you're covered for

The following **table of benefits** sets out the cover provided by each **plan**. The **plan you** have is as shown on **your Certificate of Insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

Each benefit limit in the **table of benefits** is expressed in US dollars, sterling, and Euros. The currency of the benefit limits that **we** will apply to **your plan** is shown on **your Certificate of Insurance**.

The limits shown in the **table of benefits** are the maximum amounts **we** will pay after the application of any **excess** and **co-insurance**, and will be subject to the annual benefit limit and any other specified applicable benefit limits.

Certain benefits in the **table of benefits** specify a **waiting period**. **You** must be covered by the same **plan** for the full duration of the specified **waiting period** before **you** can **claim**

for that benefit. No benefit is payable for any **treatment** costs incurred during the **waiting period**.

Wherever the term *Full cover* appears in the **table of benefits**, this means a full refund of **reasonable and customary** charges, less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits that are specified anywhere else in the **table of benefits** for the type of **treatment** or care **you** receive.

Where there is a lifetime benefit limit, this is the maximum amount **we** will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** are optional. **You** are only eligible for these benefits if **you** have selected them and they are stated on **your Certificate of Insurance**.

There are certain benefits in the **table of benefits** for which **you** must obtain pre-authorization. If **you** do not obtain pre-authorization for these benefits, **we** will only pay 80% of the

**reasonable and customary cost of treatment**.

If **you** choose a **private room** for **your in-patient** or **day-patient treatment** at a **restricted hospital in Hong Kong** (listed below), the cover **we** provide for all **your treatment** and accommodation costs will be subject to a 20% **co-insurance**. This means that **you** will need to contribute 20% of **your treatment** and accommodation costs.

- Matilda International Hospital
- Hong Kong Adventist Hospital
- Hong Kong Sanatorium & Hospital

This restriction applies even if **you** did not select the **semi-private room** or **general ward** options on **your application form**.

The **table of benefits** should be read in conjunction with the *What you're not covered for* section of this **agreement**.

# If you need to make a claim

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorisation.

If **you** need to claim for a benefit or **treatment** for which **you** must obtain pre-authorisation, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorised by **us** in advance.

## Eligible medical services providers

**You** have the freedom to choose when and where **you** receive **your medical treatment** within **your area of cover**. Please note that **we** will only pay up to the **reasonable and customary** monetary amount which is typically charged in the country where **treatment** is being received.

## If you have optional USA cover and you seek treatment in the USA

All **treatment you** receive in the United States of America must be pre-authorised in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the United States of America that has not been pre-authorised.

If **we** instruct a local agent to arrange the billing or cost adjustment of **your** medical **treatment** expenses in the United States of America, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the *Your area of cover* section of this **agreement**.

## If you are admitted to hospital

All **in-patient** and **day-patient hospital treatment** must be pre-authorised by **us** or by the **Assistance Service**.

Please contact **us** as soon as **you** know that **you** need **in-patient** or **day-patient treatment**. **You** must let **us** know that **you** need **in-patient** or **day-patient treatment** at least 5 days in advance of **your admission**. This gives **us** sufficient time to contact the **hospital** to obtain the necessary medical information.

When **you** contact **us**, **we** will ask **you** to complete a pre-authorisation form and a consent form that permits the **hospital** to release the necessary medical information to **us**. Once **we** have received all the medical information that **we** require, both from the **hospital** and **yourself** (including any other information **we** might need), **we** will advise **you** if the proposed medical **treatment** will be covered by **your plan**.

If **you** contact **us** less than 5 days in advance of **your** admission, **we** may be unable to pre-authorise **your treatment** in time. This means **you** may have to pay for the **treatment yourself** and submit a **claim** for reimbursement to **us** later. In some instances, **we** may decline **your** reimbursement **claim** or **we** may subject **your** reimbursement **claim** to a 20% **co-insurance**.

If **you** are admitted to **hospital** in an emergency and it's not reasonably possible for **you** to contact **us** in advance of **your**

admission, **we** will consider **your claim** provided that **you** contact **us** within 24 hours of **your** admission. If **you** do not contact **us** within 24 hours, **we** may decline **your claim** or subject **your claim** to a 20% **co-insurance**.

## If you do not obtain pre-authorisation for treatment that we have specified must be pre-authorised

For eligible **treatment** which has not been pre-authorised, **we** will only reimburse 80% of the eligible costs.

## How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a claim form from **our** website.

Please complete Section A of the claim form. If the total amount of **your claim** is likely to exceed US\$500 (or the foreign currency equivalent), please take the **claim** form with **you** when **you** visit **your doctor** and ask him or her to complete and sign Section B of the claim form.

Scan the completed **claim** form and the fully itemised invoices and receipts for the **treatment you** have received, and send to [claims@william-russell.com](mailto:claims@william-russell.com).

Even if **your claim** is less than US\$500 **we** may in some cases require **your doctor** to complete and sign Section B of **your** claim form before **we** can settle **your claim**.

**We** can only reimburse **your claim** when **we** have fully itemised invoices and receipts which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices, receipts and **claim** forms for 12 months. **We** may require these for auditing purposes.

**Claim** forms are not required however when **you** are claiming for the following benefits: -

- If **you** are claiming for the well-being benefit or dental benefit please send **us** the fully itemised invoices and receipts for which **you** are claiming reimbursement, together with **your** bank account details.
- If **you** are claiming for the compassionate home visit benefit please send **us** a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** round-trip airfare, stating the class of travel, and **your** bank account details.

## Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, any **treatment** by a chiropractor, **out-patient** mental health **treatment**, osteopath, chiropodist or podiatrist, a dietitian consultation or an MRI or CAT (CT) scan **you** must also send **us your medical referral letter**. If **you** are claiming for a PET scan, **you** must also send **us your specialist's medical referral letter**.

## Supplying the information required to process your claim

We can accept the information required to process **your claim** via email. Simply, scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form and email them all to [claims@william-russell.com](mailto:claims@william-russell.com). Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your claim**. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your claim** by post.

**You** must submit **your claim** within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the **claim** within this time. **We** will not pay any invoices received by **us** more than 12 months after the **treatment** date.

**We** will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

## Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, as well as any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer. If **you** provide us with incorrect payment details and **we** cannot recover the payments, **we** will not make the payment again to **you**.

**We** will only make payment to **you** or to the **medical services provider** that provided **your treatment**. Payment will not be made for **treatment** that has not been received yet.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

## Using the direct billing service

To be eligible to receive the direct billing service, **you** must have completed an application for the service and have paid any additional premium invoiced by **us**.

If you are eligible for the direct billing service this will be stated on **your Certificate of Insurance**, and **you** will be issued with a membership card which bears the letters 'DB'. This card, together with photographic identification, will enable **you** to receive eligible **treatment** at **direct billing medical services providers** within **our medical network**. The **direct billing medical services provider** will bill **us** directly for **your treatment**.

If the cost of **your treatment** is greater than US\$500, the **direct billing medical services provider** will contact **us** for pre-authorisation of the **treatment**. To avoid delays, **we** recommend that **you** contact **us** in advance of **your treatment**. Once **we** have verified that the **treatment** is eligible for cover, **we** will let the **direct billing medical services provider** know.

It is important to note that the **direct billing medical services provider** is not aware of the terms and benefits provided by **your plan**. They will provide **treatment** in accordance with a separate agreement between **us** and them.

This means that, for **claims** of less than US\$500 where the **direct billing medical services provider** is not obliged to contact **us** for pre-authorisation, it is **your** responsibility to claim only for **treatment** that is eligible for cover under **your plan**.

**We** have an obligation to settle all bills for **treatment** received from **direct billing medical services providers** within **our medical network**, provided that they fall within the terms of the contract between **us** and them.

If **you** receive **treatment** for a medical condition that is not covered by **your plan**, **we** will invoice **you** for the ineligible expenses **you** have claimed. This will also result in direct billing being withdrawn from **your plan**. If **you** do not repay to **us** these ineligible expenses within 30 days, **we** will not renew **your plan**.

If **you** cancel **your plan**, **you** must return **your** membership card to **us**. **We** will cancel **your** cover with effect from the date **we** receive **your** membership card. **We** can accept a photograph of a cut card.

The membership cards are **our** property and **we** can ask **you** to return the cards to **us** at any time.

**We** have the right to remove direct billing from **your plan** at any time within **your period of cover**, at **our** discretion.

## Exchange rates

**We** will settle **your claim** in the currency that **you** pay **your premium** (unless **you** instruct **us** to settle **your claim** in another currency **we** can administer).

If **we** make a currency conversion for a **claim** with a single invoice, **we** will use the exchange rate applicable on the date stated on the invoice.

For multiple invoices **you** submit for one **claim**, **we** will use the exchange rate applicable on the **claim** payment date.

**We** import exchange rates from [oanda.com](http://oanda.com) into **our** IT system each night. **We** use the exchange rates at the time of the import, which may differ slightly from the historic exchange rates shown on [oanda.com](http://oanda.com). Historic exchange rates are based on the average exchange rate for any particular day.

## Excesses, co-insurance, and benefit limits

The **excess** shown on **your Certificate of Insurance** is the amount each **insured person** will have to pay towards the cost of their **treatment**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess** per **claim**, this is the amount **you** will have to pay each time **you** make a new **claim** for **treatment** of a condition that is covered by **your plan**. If **you** subsequently suffer a new occurrence of that condition, this will be treated as a new **claim**, and **we** will apply the **excess** again to that new **claim**. If your course of **treatment** spans two **periods of cover**, **we** will apply the **excess** again when **your plan** renews.

If **your claim** is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

If **your excess** is per annum it will be applied once per **period of cover**. For example, if **your excess** is US\$500 per annum, **we** will not pay for the first US\$500 of eligible expenses **you** incur during **your period of cover**. **We** will apply one **excess** per **period of cover** irrespective of the number of **claims** **you** make. **You** must

submit all eligible **claims** to **us** - even **claims** within **your** annual **excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your** annual **excess**. When **you** renew the **plan**, the annual **excess** will apply again in respect of **your** new **period of cover**.

### **Our right to request additional information**

**We** may request additional medical information to enable **us** to assess **your claim**, such as medical reports or tests. These must be provided at **your** own expense. **We** may also request an independent medical examination. If **you** do not agree to supply **us** with additional medical information that **we** reasonably request, **we** will not be able to assess **your claim**.

If **you** require ongoing **treatment we** may ask for further medical information, and if **we** do, the cost of providing this information must be borne by **you**. **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

### **Our right to request a treatment review**

**We** will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

### **Illness or injury caused by a third party**

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **agreement** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal **claim** for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes any **treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your claim** for damages then **you** must repay to **us** the same proportion of **our** costs.

### **If you are covered by another insurance plan**

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the **claim**. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy and **claim** number and any other relevant information, when **you** first submit **your claim**. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the **claim**. This may involve **us** sending **your** personal information regarding **your claim** to the other insurer.

**We** will also allow sums paid by another insurer to be offset against the **excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us**.

# Other information about your plan

---

## Plan premiums

The **plan premiums** are age-related and will increase as **you** get older. The **plan premiums** are not guaranteed for the duration of **your plan** and are subject to annual review. The **plan premiums** are also dependent upon **your country of residence**. **You** must tell **us** if **your country of residence** changes.

All **premiums** are payable in advance of the **premium due date** as shown on **your invoice**. **Premiums** must be paid in the **plan currency**.

**You** may pay **your premiums** by the following method: -

- annually by cheque or direct debit from a UK bank account, bank transfer, or an acceptable credit or debit card
- half-yearly, quarterly, or monthly by an acceptable credit or debit card, or by direct debit from a UK bank account

**We** can only accept direct debit payments if **you** have a sterling **plan**.

If **you** pay **your premiums** by direct debit, **we** will require **your** original, signed direct debit mandate before **we** can commence **your plan**.

If insurance **premium tax** or any similar charge is levied by the government in **your country of residence**, **you** must also pay to **us** the amount of such tax.

**Premiums** must be paid directly to **us**. If **you** pay **your premiums** to anyone else such as an intermediary or insurance broker, then that person is acting on **your** behalf as **your** agent. **We** are not responsible for any **premiums** paid to any third party.

When **you** provide **us** with **your** credit or debit card details or direct debit mandate **you** are authorising **us** to debit **your** account with the appropriate **premiums** due for the current **plan** year and for all subsequent renewal **premiums** due as invoiced by **us**, until such time as **you** advise **us** in writing that **you** wish to alter **your** payment method or cancel **your plan**. It is **your** responsibility to keep **us** informed about **your** current credit or debit card details. Provided the details **we** hold for **you** are still valid, **we** will automatically debit **your** account with **your** renewal **premium** on or before **your renewal date**.

## Unpaid or late premiums

**We** will automatically cancel **your** cover if **you** fail to pay **your premium** on or before the **premium due date**, or if **we** are unable to collect **your premium** from **your** credit or debit card, or by direct debit for any reason.

**We** may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **you** pay the outstanding **premium** within 30 days of the **premium due date**. During this 30-day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **you** have paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **you** do not pay **your premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day

before **your premium due date**. Once **we** have cancelled **your plan**, **you** will have to complete a new **application form** which will be subject to **medical underwriting**.

## Enhancing your cover

**You** may apply to enhance **your** cover at any time by completing a new **application form**, and the enhanced cover will be subject to **medical underwriting**.

If **we** accept **your application** for enhanced cover, **we** will issue an invoice for the increased **premium**. **Your** enhanced cover will commence from the date **we** receive **your premium**, provided it is received within 30 days of the date of **your application**.

If **you** enhance **your plan**, **claims** in respect of benefits that are subject to a **waiting period** will be assessed in accordance with **your** former **plan** until the expiry of **your** new **plan's waiting period** for that benefit. For example, if **you** are covered by the Silver **plan**, and **you** enhance **your plan** to the Gold **plan**, any benefit payable in respect of the *well-being benefits* section will be restricted to the Silver **plan** benefit limit for the first 6 months of **your** Gold **plan**.

If **you** apply to reduce **your excess**, **we** will continue to apply **your** previous **excess** to any **claim** for any condition that first manifests itself after **your** original **date of entry** to **your** previous **plan**, but before the date **your excess** is reduced.

If **we** accept **your application** for enhanced cover, all conditions that existed prior to the date on which **your** cover is enhanced will be restricted to the level of cover that **you** held immediately prior to that date, even if **you** have previously held a higher level of cover.

## Reducing your cover

If **you** wish to reduce the cover under **your plan** in any way, **you** must tell **us** in writing and **we** will make the change from **your** next **renewal date** only.

**We** may refuse any request to change **your excess** to a per annum basis.

If **you** wish to cancel the optional Dental Basic, Dental Plus or Medevac Plus benefits, they will be cancelled for all **insured persons** on **your plan**.

## Changing your plan currency

Once cover under **your plan** has commenced, **you** cannot change **your plan** currency.

However **you** can cancel **your plan** and apply for a new **plan**. **You** will have to complete a new **application form** which will be subject to **medical underwriting**.

## Adding dependants to your plan

**You** may apply for cover on behalf of **your** spouse or partner, provided they are under 70 years of age on their **date of entry**.

**You** may also apply for cover for **your eligible** dependent children

provided they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

**We** will not commence cover for a new **eligible dependant** until **we** have accepted their **application** and **we** have received payment of their **premium**.

### Adding newborn babies to your plan

**You** may add **your** newborn child to **your plan** without any **medical underwriting**, provided **you** notify **us** of their full name and date of birth, and make payment of their **premium**, within 30 days of their date of birth. If **you** have been insured with **us** for a continuous period of twelve months or more at the date of birth, the **date of entry** can be backdated to their date of birth. The child's cover will be restricted to the cover provided by **your** (the **plan holder's**) **plan**.

If **you** wish **your** child to have cover that is enhanced in any way in comparison to **your** (the **plan holder's**) cover, **we** will require an **application form**, and **your** child's **application** will be subject to **medical underwriting**.

If **you** do not inform **us** about the birth of **your** child within 30 days of their birth, and/or **you** do not pay the additional **premium** within 30 days of their date of birth, **you** will have to make a new **application** for **your** child to be added to **your plan**, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

### In the event of the death of an insured person

If **you** (the **plan holder**) die, provided no **claim** has been made on **your plan**, **we** will refund any **unused premium** from **your** date of death.

If **you** (the **plan holder**) have **eligible dependants** insured under **your plan**, as the contract is between **us** and **you** as the **plan holder**, **we** will have to transfer **your eligible dependants** on to their own **plan**.

To enable **us** to do this **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your** date of death. Provided **we** receive the new **application form**, and provided **premiums** continue to be paid up to date, **we** will continue their cover as before.

If **your eligible dependants** want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **your eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** as the **plan holder** on their behalf.

If an insured **eligible dependant** dies, please inform **us** as soon as possible. If they have made no **claim** on their **plan**, any **unused premium** from their date of death will be refunded. However if the deceased **insured person** had made a **claim**, no **premium** refund will be made.

### Divorce and separation

If **you** (the **plan holder**) have **your** spouse or partner included under **your plan** and **you** become separated or divorced, **we**

will have to transfer **your** insured spouse or partner on to their own **plan**. To enable **us** to do this **we** will require **your** spouse or partner to complete a new **application form** which must be completed and returned to **us** within 30 days of **your** date of divorce or separation.

Provided **we** receive the new **application form**, and provided **premiums** continue to be paid up to date, **we** will continue to cover **your** insured ex-spouse or partner as before. If **your** ex-spouse or partner wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

### When a child dependant is no longer eligible to be covered under your plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be eligible to be included in **your plan** from the **renewal date** following their marriage/birthday.

However, **your** child may apply to continue their cover on their own **plan**, at the applicable adult **premium** rate, provided they send **us** their completed **application form** and **we** receive the appropriate **premium** within 30 days of **your renewal date**.

If they want to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and any enhancement in their cover will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

### Changing your address, country of residence or country of nationality

**You** must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your country of residence** or **you** change **your country of nationality**, **you** must tell **us** straight away.

If **you** return to **your country of nationality**, **you** may continue to renew **your plan** provided that the local laws in **your country of nationality** permit **us** to offer **you** cover, and provided that **we** agree to offer cover in that country. **We** reserve the right to refuse to offer cover in certain countries.

### If the UK is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if the UK is or becomes **your country of residence**, irrespective of **your** nationality. If the UK becomes **your country of residence** **you** must tell **us**. **Your** cover will automatically terminate from the renewal date after **you** take up residence in the UK. However, **we** may be able to offer **you** continuation of cover under another William Russell **plan**.

### If Switzerland is or becomes your country of residence

Under the terms of this **agreement** cover is not available to **you** if Switzerland is or becomes **your country of residence**,

irrespective of **your** nationality. If Switzerland becomes **your country of residence** you must tell us. **Your** cover will automatically terminate from the renewal date after you take up residence in Switzerland.

### If the USA is or becomes your country of residence

Under the terms of this **agreement** cover is not available to you if the United States of America is or becomes **your country of residence**, irrespective of **your** nationality. If the United States of America becomes **your country of residence** you must tell us. **Your** cover will automatically terminate from the date on which you take up residence in the United States of America.

Provided there have been no **claims** made, we will refund any **unused premium**. If a **claim** has been made by any **insured person**, no **premium** refund will be paid.

### Renewing your plan

You may continue to renew **your plan** each year regardless of **your** age or state of health, or the number or value of **claims** you have made. We will not cancel **your plan** unless we are entitled to do so under **our** cancellation policy.

Prior to **your plan renewal date** we will send you an invoice by email stating **your premiums** for **your new period of cover**.

**Your premium** for each new **period of cover** will be determined by the following: -

- **your** age at the start of **your new period of cover**
- the ages of **your eligible dependants** at the start of their new **period of cover**
- the number of eligible children **you** insure
- **your plan**
- **your area of cover**
- **your excess** amount
- **your country of residence**

Other factors may affect **your** renewal **premiums**, such as general changes we make to **our premiums** annually, and changes to the discounts and loadings we apply to **excesses**, to the child **premium** discounts, and to the surcharge for instalment **premiums**.

We may also change the methods of payment we offer.

**Your premiums** may also be affected by the introduction of or increase to insurance **premium** tax or other tax, levy or charge applicable in **your country of residence**.

We may also change the benefits offered by **your plan** and/or **your excess** amount. If we do, we will write to you before **your renewal date** to confirm these benefit changes and/or change in **excess** amount. Any changes we make to **your** benefits or **excess** amount will come into effect from the **renewal date** of **your plan**.

From time to time we may decide to discontinue the **plan** you are a member of, and/or change the **excess** amount available. If this happens, we will transfer **your** membership to another similar **plan**.

### Paying your renewal premium

You must pay **your** renewal **premium** on or before the due date.

If you pay **your premium** by credit or debit card or by direct debit, unless you tell us not to, and provided **your** credit or debit card details are current, we will withdraw **your** renewal **premium** on or around its due date.

If you do not pay **your** renewal **premium** within 30 days of the **premium due date**, we will cancel **your plan** from midnight on the day before **your premium due date**.

We may allow **your** cover to continue without you having to complete a new **application form** and health declaration if you pay the outstanding **premium** within 30 days of the **premium due date**. During this 30-day period we will not accept any **claims** for **treatment** incurred on or after the **premium due date** until you have paid the **premium** due. This also applies to **treatment** that we have already pre-authorized.

If you do not wish to renew **your plan** you must inform us in writing as soon as you receive **your** renewal **premium** invoice and prior to **your renewal date**.

### Premium discounts for children

When you have **eligible dependant** children included in **your** (the **plan holder's**) **plan**, the child **premium** discounts will be applied as follows: -

- the discount for the oldest child insured on **your plan** is 0%
- the discount for the second oldest child insured on **your plan** is 10%
- the discount for the third oldest child, and any subsequent children, insured on **your plan** is 15%

If a child leaves **your plan**, we will recalculate the **premiums** for the remaining children with effect from the date on which the child leaves. This means that the **premium** you pay will always be based on the actual number of children you insure.

### Child-only plans

A **premium** loading applies when you, as the **plan holder**, are not an **insured person**. In such cases, each child's **premium** will be increased by 20%.

### No claim incentive (applicable only to insured persons whose date of entry is prior to 01 January 2007)

For as long as you make no **claim** on **your plan**, we will use **your** age at **your date of entry** (or if **your date of entry** is before 01 January 1999 **your** age at **your renewal date** in 1999), when we calculate **your** renewal **premium**. This does not mean that **your premium** will remain the same each year. There are other factors that may affect **your** renewal **premiums**, such as the general rate of medical inflation that we apply to all of **our premiums** each year, insurance **premium** tax or other tax, levy or charge applicable in **your country of residence**.

If you make a **claim** (other than a well-being **claim**), **your** entitlement to this no **claim** incentive will cease from the date on which you first suffered the symptoms which gave rise to **your claim**, or from the date on which you first received **treatment**, whichever date is the earlier. Then, with effect from **your next renewal date**, you will be required to pay the **premium** applicable to **your** actual age at **your renewal date**.

If we are not notified of **your claim** until after we have issued **your** renewal **premium** invoice, or until after you have paid **your**

renewal **premium**, **you** must pay to **us** the difference between the **premium** we invoiced before we knew about **your claim**, and the **premium** based on **your** actual age at **your renewal date**. If **you** pay **your premiums** annually, we will issue an invoice for the difference in **premium**. If **you** pay **your premiums** in installments, we will debit **your** card for the difference in **premium** and adjust **your** future **premium** instalment payments. If **you** do not pay **us** the difference in **premium** we reserve the right to deduct the amount owing to **us** from **your claim** settlement.

This incentive does not apply in respect of **eligible dependant** children, or in respect of children insured under **your plan** who leave **your plan** and take up their own **plan**.

## Cancelling your plan

If **you** wish to cancel **your plan**, or if **you** want to cancel cover for one of **your dependants**, **you** must instruct **us** in writing by letter, email, or fax. **We** will cancel cover from the date we receive **your** written instructions, or from a date in the future that **you** have specified. **We** will not cancel cover from a date prior to **us** receiving **your** written instruction to cancel.

If **you** are eligible for direct billing services, **we** will cancel **your** cover from the date on which **we** receive **your** returned membership card.

**We** will only make a refund in respect of **unused premium** if no claim has been made. If a claim has been made by any **insured person**, no **unused premium** will be refunded in respect of that **insured person**.

In accordance with French law, this **agreement** may also be terminated, on the initiative of **plan holder** at any time, without fees or penalties at the expiration of a period of one (1) year from the commencement date of the **first period of cover**. The termination takes effect one (1) month after **we** have received notification by e-mail.

## When we can cancel your plan

**We** have the right to cancel **your plan** immediately if: -

- **you** do not pay **your premium** and other charges such as insurance **premium** tax within 30 days of any **premium due date**
- **you** have not provided **us** with medical information **we** have requested to enable **us** to assess a **claim** or any potential **claim** that may arise in the future
- **you** have not repaid to **us** fully any ineligible **claim** payments **we** have invoiced **you** with
- **you**, any **insured person** or any person acting on **your** behalf has made any threatening or abusive comment, or used any unacceptable language towards **us** or any member of **our** staff, or any service provider acting on **our** behalf, whether verbally (including any telephone conversation) or in writing (including any electronic communication)
- **we** reasonably suspect that any **insured person** has misled **us** or attempted to mislead **us**, whether intentionally or carelessly, either at the time of joining or when making a **claim**, by: -
  - making a **claim** under this policy knowing it to be dishonest, intentionally exaggerated or fraudulent in any way
  - providing **us** with incomplete or false information
  - working with another party to provide false information to **us**
  - changing original documents

If **we** cancel **your plan** for any of the above reasons **we** will not refund any **premium** **you** have paid to **us**. **We** may also report the matter to the relevant authorities, if appropriate.

**We** have the right to cancel **your plan** from **your renewal date** if **you** move to a country where **we** are unable to offer continued cover due to compliance, and/or legal reasons.

## When we may apply special terms to your plan

**We** have the right to apply **special terms** to **your plan** if **you** give **us** inaccurate or incomplete information. Such **special terms** will be applied from **your date of entry**.

## Your responsibilities as the plan holder

It is **your** responsibility to: -

- ensure that all **premiums** are paid when they are due
- inform **us** if **your** personal details, or the personal details of any **insured person**, change
- keep **us** advised of **your** current email address
- inform **us** if **you** change **your** address, **country of residency** or **country of nationality**

## Our liability under this plan

**Our** liability under this **plan** is limited to paying for **treatment** or services in respect of eligible **claims** under this **plan**. The choice of provider of the **treatment** or services for which **you** are claiming under this **plan** is **your** responsibility. **We** make no representations or recommendations regarding the availability and standard of any **treatment** or services offered or provided by any **hospital** or **medical services provider**. **We** will not be held liable to **you** or any **insured person** for any loss, harm or damage of any description resulting from lack of availability or from a defect in the quality of any **treatment** or service offered or provided by any **hospital** or **medical services provider**. This **plan** represents the whole and only **agreement** between **you** and the **insurer** relating to the provision of private medical insurance.

## Limitations on actions

The provisions relating to the statute of limitations on actions arising from the insurance contract are established by Articles L.114-1 - L.114-3 of the French Insurance Code indicated hereafter: -

### Article L. 114-1 of the French Insurance Code

All actions arising from an insurance contract are limited to two years after the incident giving rise thereto. However, this statute of limitations only applies: -

1° In case of concealment, omission, false or inaccurate declaration of the risk involved, from the day on which the **insurer** had knowledge thereof;

2° In the event of a **claim** of damages, from the day on which the Parties involved became aware thereof, if they prove that they were unaware of it until then.

When the action of the Insured Party against the **Insurer** is due to the action of a third party, the statute of limitations only starts to run from the day on which the third party initiated legal proceedings against the Insured Party or was compensated by him.

The limitation is extended to ten years in life insurance contracts

when the beneficiary is a person distinct from the policyholder and, in accident insurance contracts affecting people, when the beneficiaries are the beneficiaries of the deceased insured party.

For life insurance contracts, notwithstanding the provisions of Item 2, the actions of beneficiaries are limited to thirty years after the death of the Insured Party.

#### **Article L. 114-2 of the French Insurance Code**

The running of the statute of limitations is interrupted by one of the ordinary causes of interruption and by the appointment of experts following an incident. The interruption of the statute of limitations of the action can furthermore result from the sending of a registered letter with return receipt requested sent by the **Insurer** to the Insured Party regarding the action for the payment of the **premium** and by the Insured Party to the **Insurer** for the payment of the compensation.

#### **Article L. 114-3 of the French Insurance Code**

As an exception to article 2254 of the French Civil Code, the Parties to the insurance contract cannot, even by joint agreement, modify the duration of the statute of limitations, nor add to the causes of its suspension or interruption.

#### **Additional information**

The ordinary causes of interruption of the statute of limitations are mentioned in Article 2240 and in accordance with the Civil Code; among the latter include notably: the questioning of one of the joint debtors by a judicial action or by an act of compulsory execution or the acknowledgement by the debtor of the right of the person against whom he applied the statute of limitations. For the exhaustive list of the ordinary causes of interruption of the statute of limitations refer to the aforementioned articles of the Civil Code herein above.

If the cost of **your treatment** is not **reasonable and customary**, **we** will only pay up to the amount which is typically charged in that country. If **your treatment** extends beyond the end of **your trip's** specified return date, **your cover** will cease at the end of the term defined in **your USA** cover option wording. For example, if **you** have selected the USA-45 option and **you** are on a 30-day trip to the United States of America, which becomes extended to 60 days, **your cover** in the United States of America will cease 45 days after **your date of entry** to the United States of America.

### Terminal medical condition

A condition that has become incurable and all the **treatments** given are to prolong life.

### Treatment

Surgical or medical services (including **diagnostic tests**) that are needed to diagnose, relieve or cure a disease, illness or injury.

## Unused premium

The amount of **premium** that is attributable to the period from the date after the date of cancellation, up to the date before the next **premium due date**.

In the event of a refund of **unused premium** being eligible, the **unused premium** amount refunded (using an annually paid **plan** as an example) will be the annual **premium** paid divided by 12 and multiplied by the number of whole calendar months remaining in the **period of cover**. If the **plan** is cancelled part way through a month, an additional amount, equal to one twelfth of the annual **premium** paid, multiplied by the proportion of days without cover in the calendar month of cancellation will also be paid.

For example, if the annual **premium** for an **insured person** is US\$3,000, the **period of cover** is 1<sup>st</sup> January to 31<sup>st</sup> December 2020, and the **insured person** leaves the **plan** on 27<sup>th</sup> September 2020, the **unused premium** will be US\$775, as: -

- $((US\$3,000 / 12) \times 3) = US\$750$  for the three whole months without cover (October, November and December); added to -
- $((US\$3,000 / 12) \times 0.1) = US\$25$  for the three days in September without cover (the 0.1 calculated in this example by dividing 3 (the days in September without cover, *ie* the 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup>) by the total number of days in September (30))

Appropriate calculation methods using the same principle as the above example will be used if the **premium** frequency is not annual.
